

FEATURES

CLAIM TO THE WHEELCHAIR

Choosing the right wheelchair is often difficult. Here, we make a distinction between different conditions and therefore individual requirements and the functionality requirement in different specialist medical areas. The graph gives an initial overview of the MEYRA wheelchairs in this category and when they are used.

MEYRA® E-POWER WHEELCHAIRS

CONDITIONS	Clou	iCHAIR basic	iCHAIR mc1	iCHAIR XXL	iCHAIR mc2	iCHAIR mc front	iCHAIR mc3	iCHAIR mc mid	Nemo	iCHAIR mc2 RS	iCHAIR mc s	Optimus 2
